2010 STRIMA CONFERENCE

September 12-16, 2010

Prattville, Alabama

Prattville, Alabama is located almost in the center of the State of Alabama, and is easily accessible right off of Interstate 65 from either the Montgomery Regional Airport or the Birmingham-Shuttlesworth International Airport.

The Montgomery Regional Airport in Montgomery, Alabama, is approximately 16 miles south of the Legends at Capitol Hill. While there is no free shuttle to and from the Legends, there is taxi service at the airport along with several private shuttle services. A number of car rental companies have counters in the airport. Montgomery Regional Airport's website is <http://flymontgomery.com/>

Driving Directions From Montgomery Regional Airport:

Go east (right when exiting the airport) on US-80 E for 3 miles. Merge onto I-65 N ("Birmingham") and travel 12 miles. Take Exit 179 and turn left at the top of the exit ramp. At the second set of traffic lights, turn left, then left again onto Legends Drive (at the clock tower). Drive through a traffic circle, taking the first exit, staying on Legends Drive. The Legends will be visible at the bottom of the hill to your left.

The Birmingham-Shuttlesworth International Airport is located in Alabama largest city, Birmingham, about 81 miles north of the Legends. While obviously farther away, it is an easy drive in a rental car to the Legends. You simply exit the airport onto I-65 and travel south to the Prattville exit. <http://www.bhamintlairport.com/>
