Dear Honored Guests:

The State of South Dakota would like to welcome you to Rapid City, South Dakota for the 2019 STRIMA Educational Conference and Business Meeting September 22-26, 2019. We are pleased that you could join us, together with your peers and colleagues at the Ramkota Hotel for an educational week set in Rapid City, the “Gateway to the Black Hills.”

The STRIMA Executive Committee planned the 2019 educational agenda to address today’s challenges with an eye toward tomorrow’s solutions, and as always, the centerpiece of our conference will feature the State’s Roundtable, as well as the Reverse Roundtable focusing on the challenges and successes of fellow State Risk Management Professionals like yourself.

Our conference will showcase the picturesque Black Hills of South Dakota. You will experience iconic monuments, history, landscape, and so much more. Thursday’s risk management field trip will be your opportunity not only to see Mount Rushmore but also to ride on the oldest tour railroad in the nation.

Please make the best of your stay by enjoying the educational sessions, venues, events and the trips that we have planned to give you an unforgettable experience. We thank you all for the opportunity to host the 2019 STRIMA Conference

Leon Ellis
Conference Host 2019
