Dear Honored Guests:

The State of New Mexico would like to welcome you to Santa Fe for the 2022 STRIMA Educational Conference and Business Meeting from September 18 to September 22, 2022. We are thrilled that you wish to join us, together with your peers and colleagues in New Mexico's capital city for an educational week. We are confident your New Mexico experience will be memorable for years to come.

The STRIMA Executive Committee planned the 2022 educational agenda to address current challenges with an eye toward making our members stronger, better educated, and more equipped to meet the demands of today's profession. As requested, the centerpiece of our conference will feature the State's Roundtable, as well as the Reverse Roundtable, focusing on the challenges and successes of fellow State Risk Management Professionals.

Our conference will highlight New Mexico's history, geography, sociology, and anthropology – journey into New Mexico's past, present, and future. Upon arrival, you will enjoy a friendly and safe state to explore.

Please make the best of your stay by enjoying the educational sessions, venues, events, and trips that we have planned to give you an unforgettable experience. We thank you for the opportunity to host the 2022 STRIMA Conference
